and Commonwealth Office UK
Southeast Asia

DISCUSSANT

Ms Hafizah Abdullah
Director
Competency Enhancement Centre
Institute of Diplomacy and
Foreign Relations (IDFR) Malaysia

OVERVIEW

As the interrelation between cyber, law and industries become more complex, the need to develop a cadre of capable cyber diplomats is imperative to promote and defend the nation's interest and industries.
· How is cyber diplomatic capability trained and developed?
· What are Malaysia's possible roles in cyber diplomacy and limitations for engagement?
· How could developing a cyber diplomatic toolkit be useful for Malaysia?
