Dear Sir/Madam

PRESS RELEASE

The 32nd Asia-Pacific Roundtable

Kuala Lumpur, 4 May 2018 – The Institute of Strategic and International Studies (ISIS) Malaysia, on behalf of ASEAN-ISIS, a network of leading think-tanks in Southeast Asia, is pleased to announce that it will host the 32nd Asia-Pacific Roundtable (APR) from 7-9 May 2018 at the Hilton Kuala Lumpur.

Over the last three decades, the APR has brought together great minds from around the world to ponder, reflect, debate and explore solutions on the region's strategic challenges. Taking cue from the disruptive effects of recent technological advancement in our life, this year's conference focuses on the theme of "**Disruption: People. Technology. Power. Security.**"

The 32nd APR programme has been properly adjusted to accommodate Malaysian participants who wish to exercise their democratic right on 9 May 2018, which is both the last day of the conference and the date of the 14th Malaysian General Election. The entire programme would conclude by mid-day on 9 May.

Among the notable role players are Assoc Prof Dr Farish Noor (S Rajaratnam School of International Studies, Nanyang Technological University, Singapore), Mr Walter Lohman (Director, Asian Studies Center, Davis Institute for National Security and Foreign Policy, The Heritage Foundation, USA), Prof Dewi Fortuna Anwar (Chairman, Institute for Democracy and Human Rights, The Habibie Center, Indonesia) and Dr Vladimir I Norov (Director of Institute for Strategic and Regional Studies and former Minister of Foreign Affairs, Uzbekistan).

Members of the media are invited to cover the Roundtable.
